**Article 8. Chairperson Compensation**

Departments are divided into levels based upon scores generated by the formula summarized below and detailed in Handbook Section 4.5. The score is meant to quantify chair workload. Variables of the formula include: 1) total number of sections of courses delivered by a department (Sections); 2) the number of majors within a department (Majors); 3) the number of academic programs within a department (Programs); 4) the departmental budget, calculated from specific 700 and 800 budget lines (Resource Management); and 5) Additional Responsibilities. The first four variables are translated into a scale of 0 to 10, scaled by maximum values, as described in Handbook Section 4.5. The fifth variable is given a value of 0 or 5, based upon whether or not a department has any of the stipulated additional responsibilities (Handbook Section 4.5). The score for each department is calculated as the sum of the values of the five variables listed above, with the values of the first two variables (Sections, Majors) doubled, thus enabling a possible maximum score of 65. The score for each department will be recalculated every three years by a FAC/FPC subcommittee drawn from the negotiating teams, based upon data from the three years of the expiring contract. The number of different levels into which departments are divided, based upon the range and distribution of departmental scores, will be determined upon evaluation of the data at the time of contract renewal.

For the current contract, the departments have been divided into three levels, I, II and III, as detailed below.

<b>Level I:</b>	<b>Level II:</b>	<b>Level III:</b>
Biology	Accounting	Latin American &
Chemistry	Communications	Y qo gpø'Uwř lgu
Counseling & Human Services	Computing Sciences	Mathematics
Economics/Finance	English & Theatre	Philosophy
Education	History	Political Science
Exercise Science & Sport	Operations / Information Management	Sociology/Criminal Justice
Health Administration / Human Resources	Occupational Therapy	Theology/Religious Studies
Management / Marketing	Physical Therapy	World Languages & Culture
Nursing	Physics/Electrical Engineering	
	Psychology	

The compensation plan for department chairs will be as follows:

Level	Compensation during Academic Year	Summer Compensation
I	7'wřku"Ä	4 credits
II	4 units *	3 credits
III	3 units *	3 credits

Ä'CVřgcu'qpg'wřk'o wu'dg'tgrgcuř "ło g'cřf "c'řgcu'qpg'wřk'o wu'dg'f křev'ř c{o gpø

\* At least one unit must be released time.

A "unit of compensation" in the plan is defined as either a 3-credit release or direct payment of a 3-credit overload stipend (using the Fall/Spring rate). The per credit payment for summer compensation will be at the current overload rate.

For purposes of determining released time, all chairs are defined as being on a 21-credit load. The Chair of FAC will be treated as being a level II chair, except that he/she does not participate in the summer compensation plan. The Chair of the Department of Faculty Librarians will receive a stipend equal to three units of compensation per academic year and will not participate in the summer compensation plan. The plan assumes and affirms that duties of department chairs are as defined currently in the Faculty Handbook.

Chairs will meet with their Dean annually to discuss their performance in leading their department for the purposes of professional development and improved support in their role. During the review, the Dean will remain confidential. This review does not preclude the Dean from extending, in his/her discretion, any recognition or reward for exemplary service.

A department chairperson will receive, upon successful application for a sabbatical leave, two summer research stipends in lieu of summer teaching if said chairperson has served at least two consecutive terms immediately prior to the start of the sabbatical.

### **Article 9. Off-Campus Teaching**

- A. Any assignment made by the Administration that requires a faculty member to fulfill credit bearing teaching responsibilities or other responsibilities as described in Section 5.4 of the Faculty Handbook portion of this Collective Bargaining Agreement at a location beyond 15 minutes normal walking distance from the University constitutes an Off-Campus Assignment.
- B. Assignment of faculty to off-campus locations will follow the procedures outlined in section 8.1 of the Faculty Handbook portion of this Collective Bargaining Agreement. Except in cases where the faculty member so requests or chooses faculty will not be assigned more than one off-campus duty in one academic year.  
Volunteers with appropriate expertise will be sought for off-campus assignments first. If no volunteers come forward, assignments will be made on a rotating basis.
- C. Travel expenses incurred in connection with off-campus assignment will be reimbursed as per the University's Travel Policy, according to which all reasonable and necessary expenses incurred in connection with travel on behalf of the University are covered.
- D. In addition to regular compensation for the assignment (either part of the regular faculty load or overload, whichever applies in a particular case) the faculty member involved in an off-campus assignment will receive additional compensation of \$35.00/hour for travel time necessary to and from the off-campus site. Excluded from this compensation are off-campus assignments that take place outside of the continental United States (for which incentive compensation payments may be negotiated with the dean) and main campus offerings that have traditionally required monitoring in clinical or field settings and are subject to other sections of this Agreement.
- E. Normally, a faculty member will not be assigned to perform duties at a location more than seventy-five miles (one way) from the University. Ordinarily, such duties will be limited to classes that meet one day per week.
- F. University liability coverage applies to faculty members for an off-campus assignment. For travel between the University and the off-campus site, the individual's automobile coverage is primary.

- G. Any exception to the above conditions (including multiple off-campus assignments) would require the mutual written consent of FAC and the University.
- H. The University administration will inform the Executive Committee of FAC, in writing, of any off-campus teaching assignments at the time that such assignments are made.

**Article 10. Health Insurance**

- A. The University makes available three health insurance plans for eligible full-time faculty members: (1) a traditional indemnity plan comprised of Blue Cross 365-day inpatient coverage, Blue Shield and Major Medical (excluding prescriptions) with a \$2,000,000 lifetime limit (BC/BS/MM), and (2) Blue Cross/Blue Shield Access, -0091 Plan, which is a preferred provider organization (PPO) plan; and (3) First Priority Health, a point of service (POS) plan. The Traditional Indemnity Plan will only be available to those who elected Traditional Indemnity Coverage as of January 1, 2015. The parties will extend grandfathering rights to those who so elected Traditional Indemnity Coverage for as long as such a plan is available in the ess

Effective January 1, 2016, employees electing Individual Coverage only under any plan will pay 5% of total premium cost through payroll deduction.

Effective January 1, 2017, employees electing Individual Coverage only under any of these plans will pay 10% of total premium cost through payroll deduction; employees electing any other Level of Coverage will pay 20% of total premium cost through payroll deduction.

Effective January 1, 2018, employees electing any level of coverage will pay 20% of total premium cost through payroll deduction.

disability benefits but is denied coverage will be permitted to use of a future entitlement to a six month sabbatical.

There will be no deadline to report an act of rape or incest, but eligibility for reimbursement as outlined in paragraph two of this subsection and postponement of tenure review as outlined in paragraph three of this subsection will be limited to survivors of rape or incest incidents that occur after the ratification of the 2015-18 contract.

In reporting acts of rape or incest under paragraphs two and three of this subsection, a faculty member shall obtain a signed affirmation from his/her primary care physician or other appropriate health care provider that the act occurred. The Office of Human Resources will insure the confidentiality of reporting, reimbursement and/or postponement of tenure review covered in this article.

- G. An open enrollment allowing eligible full-time faculty to change medical plans or enroll in a medical plan if not previously participating is conducted in the last quarter of each calendar year ending on December 31 of the next year.
- H. An "Opt-out" alternative is available to eligible full-time faculty members who have no need for additional medical/dental/vision coverage at the time of hire or during the course of employment. If Opt-out is elected, the faculty member's monthly pay will be increased by \$125.00 for each month during which participation in a medical/dental/vision plan is waived. However, it takes a "life event" (as defined by IRS Section 125) to either change from Opt-out to medical coverage or from medical coverage to Opt-out during the course of any calendar year, except if the change is elected during the open enrollment period conducted during the last quarter of each calendar year to be effective the following January. Additional information on the Opt-out alternative is available from the Office of Human Resources.
- I. COBRA provides for medical coverage for a limited period of time following separation from employment. Under COBRA, no part of the premium is paid by the University. The University extends COBRA medical coverage rights as required by law but does not require transfer to non-group coverage following the periods of time specified in COBRA. This practice is subject to the carrier allowing non-employees to participate in the University's group health insurance program.
- J. Nothing shall preclude the University from, at its sole discretion, adding medical insurance plans.  

The University has the sole discretion to select insurance carriers or administrators or to be self-insured for all of its medical insurance plans. The University may add carriers or administrators or elect to be self-insured or self-administer such plans at any time, provided that the University must notify FAC in writing at least sixty (60) days prior to effecting such change. For the term of this Agreement only, FAC must approve any such change in carriers or administrators.

For the term of this Agreement only, the University may not delete or modify existing medical insurance plans nor may it delete carriers or administrators.
- K. ***Beginning in the spring semester of 2017, FAC and FPC agree to meet and examine other healthcare insurance providers on the market; conduct a comparative analysis of***

Based on their evaluations, the committee will direct adjustments to the zoned parking arrangement and address significant parking problems brought to the attention of the officers of FAC by faculty.

The officers of FAC will bring significant problems to the parking oversight committee which will meet only when necessary, except that it shall meet at least once a semester.
