---

From Prof. Lartz: Write a research-informed argument about a controversial issue. Work from

I think the periodical search confused them, and I would take that out to provide more time to go over the Articles & Databases tab next time. Hopefully that would also give me time to talk to each student about their topic.

---

PLO3: Students will identify the appropriate level of scholarship among publication types (scholarly journals, trade publications, magazines, websites, etc.) in order to critically evaluate the usefulness of the information for their research need.

PLO4: Students will articulate the key elements in their research questions in order to develop and execute a search strategy.
